

# The Creation of my Moss Sculpture

A final project by Rachel Perlman  
Art of Horticulture, Fall 2011

# Concept:

- Why this project?
- Inspired by moss/grass as an art medium
- Make the sculpture, cover it in collected live moss
- Sculpture in the form of a flower

# Step 1: Collect and store the moss.

## Step 2: Decide which materials to use and purchase them.

# Step 3: Start construction! (proof of concept)

# Step 4: Build the chicken wire frame.

**Step 5: Cover with burlap and sew in place.**

Step 6: Bring the sculpture outside and add the moss.

# The finished piece!
